 Tomorrow’s Leaders  
 for Christ”**

**For Students ages 13  
 to 22,**

**Branson, Missouri,  
 July 24-29**

**Lancaster, Ohio ,  
 August 4-10**

An experience with eternal meaning will appropriately be opened by former Alabama Supreme Court Chief Justice Roy Moore. A man of God that loves God with all of his heart, with all of his mind, with all of his soul and with all his strength. Aware that the highest law that we must obey, is over all man made laws, that we acknowledge God in all that we do. Although the current price of his decision was substantial, Judge Moore is an exceptional individual that stood firm in God’s Word,

knowing the Truth would ultimately prevail over the current darkness in our land. He is aware that the children, families and country are at risk. He was willing to give up everything for his inalienable right to acknowledge God. You will be able to stand with him and other national leaders, in their battle for the children.

On July 24 through July 29 in Branson, Missouri, and on August 4 through August 10 in Lancaster, Ohio. Judge Moore will be followed by a national team of men that have been on the battle lines, who will train and encourage young men and women from 13 to 22 years of age, and empower these leaders by equipping them so that they may be released to be vigilant, active and brave in their stand for God, family, and country. In Branson, they will take only the first seventy young people to apply, so there is some urgency for those that love the children, and you can get an application for either camp by going to [www.asleepknowmore.com](http://www.asleepknowmore.com) and going to the camp web site or call 417-754-8774.

Christian Americans have seen God taken out of all parts of society, the break up of the family, and the moral decay of their nation. The worst outcome of this darkness is that almost nine out of ten children from Christian homes lose their faith by the time they are 21 years old. True Christian Amer-

ican Patriots, parents, grandparents, and neighbors who love the children to the point of wanting their soul in heaven for eternity, are seeing the vision of “Pass The Salt Leadership Institute” so that they can do all they can to protect our posterity in spirit, mind, and body so that they may honor and glorify God in peace. It will be a life changing experience, and the call is to all of His children. Courage, vision, and a Biblical World view will be a way that you will recognize the students that are inspired by this Biblical Leadership Institute for HIS Kingdom. Through the help of the Holy Spirit, this camp is designed to be something special for life, and one that students will thank parents and grandparents for loving them so much. With the aid of the Holy Spirit, each student will know the right thing to know, the right path

to take, when their faith is challenged. Your children are called to be a part of the Biblical Leadership that is needed for our nation to be restored, please help them. We must have godly righteous leadership that is equipped with boldness, courage, and a vision to restore this nation on the Foundation of Jesus. Our staff is called to help you to equip and send forth the next generation of leaders. This Biblical Leadership Institute for HIS Kingdom, is staffed by anointed men from across the country that include men like Judge

Roy Moore who have walked the walk, having stood in the Word of God. They will help the students be able to stand with authority from the Scriptures to take all arguments captive for our Lord and Savior, Jesus Christ. The students will be prepared to recognize and stand against the evils they will face in our society, and they will have their armor firmly in place. *Ephesians 6:10-19*

You will be blessed to have given your children and grandchildren the greatest gift possible in this world, an experience that they will remember, not for a boy or girl that they met, not for a canoe ride or hike they took, not for the music they listened to, but because

they increased their relationship with God, and became Biblical Leaders with courage, boldness, and vision for HIS Kingdom. You will give them a gift with eternal meaning\*\*\* send the children and pray for His will to be done in all that we do for them.

**HOLD A  
SHAKE THE  
NATION**

**CONFERENCE IN YOUR  
AREA**

We are now scheduling *Shake The Nation* Conferences for the fall and winter months. We have been holding these events since 2005 from coast to coast, educating and warning the Christians that now is the time to stand up and engage in the battle of all areas of society to regain our footing on the foundation of Jesus! We have sat quietly for too long and allowed our country to be devoured by satanism. *Shake The Nation* Conferences have dynamited Christians from the pews to be vigilant, active and stand in harms way for the children's souls. What is going to happen to our country, our children, and our grandchildren if we do not stand now?

Forget denominational issues and all the different church doctrines. Stand together as Christians because we love God and must act according to His word. The Holy Spirit has produced much fruit for the Kingdom through the warriors who stand with us and speak out during these conferences informing you who is behind the moral decay, their agendas and what *YOU* can do. There is a great culpability in the moral decay that belongs to all branches of government, media, some of the pulpits, and worst of all, the

education system that is socializing our children in an atheistic, pagan environment to kneel to the state, rather than to God. We have speakers from all over the country committed to making a change for the next generation to rise up in the way of Our Lord. Coach Dave Daubenmire will not allow you to nod off as he puts his entire body and soul into recruiting a few good men! Well known author, William Federer, will astound you with his knowledge of our Founding Fathers and America's Christian Heritage. Joe Larson, founder of Restoring America, will educate you on when, where and how the destruction of this great country started going downhill. Other speakers include Dr. Gregory Thompson, Rusty Lee Thomas, Dr. Scott Lively, Flip Benham, R.L. Beasley, Dr. Wes Scroggins and President of America ASLEEP kNOw MORE, Pastor Mark Kiser. And this does not cover all of our speakers. You will be in for an eye opening experience during this 2-day gathering. Don't wait until later! Time is of the essence! The children's souls are at risk! Call us to set up an event for you as early as September, 2007 and as late as March, 2008. We have never walked away from a conference without everyone being filled with The Holy Spirit and congratulating our efforts and stamina. This will be a great reward for your church, community, civic or corporate group. We travel across the USA in search of those who want to take a stand and make a difference. Contact us at 417-754-8774 or on the web [www.asleepknowmore.com](http://www.asleepknowmore.com)

My people are destroyed for lack of knowledge: because you have rejected knowledge, I will also reject you, that you shall be no priest to me: seeing you have forgotten the law of your God, I will also forget your children.

Hosea 4:6 KJV

### **A Call to Action Stand Up, Speak Up, Act Upon**

America ASLEEP kNOW MORE, Pass The Salt, Elijah Ministries, and many other ministries that are standing in harms way for the children's souls, are coming alongside of Repent America on July 10 & 11 in Washington D.C., to stop the insanity and tyranny against Christians that is coming out of Washington D.C.

We are at war and the times are urgent. The Federal Government has many within its ranks that are corrupt and have culpability for the moral decay, as their works are against God, family and country. They are against those that take the name of Jesus Christ. The root of the Federal Government is corrupt and they have been allowing attacks on the Christians, as they now look to set into motion ways to attack Christians openly under the guise of hate crimes, public safety, and any other ways that they can propagandize the people to believe. The Bible says that a corrupt tree CANNOT bear good fruit, the tree must be cut down (Matt. 7:18:19). As Daniel Webster stated, "Good intentions will always be pleaded for every assumption of power...it is hardly too strong to say that the Constitution was made to guard the people against the dangers of good intentions. There are men in all ages who mean to govern well, but they mean to govern. They promise to be good masters, but they mean to be masters." To take absolute control they have to get God and the family out of the way as it is in the Judeo-Christian family tradition.

Fools, ambitious, and traitors abound in Washington D.C. Preparing to take attacks on Christians to new levels. The enemy walks amongst us, and as Paul says, "Beware lest anyone cheat you through philosophy and empty deceit, according to the tradition of men, according to the basic principles of the world, and not according to Christ." Colossians 2:8. Our Founding Fathers knew that there would be men and women like those that exist in our gov-

ernment today that would come along and pervert the country by going against the original intent of the Founders, and because the people would be sleeping, they would have to deal with tyranny, as we find ourselves doing today.

The government has in recent months and weeks had a mock terrorist attack on a school in New Jersey and the terrorists were labeled as Christians. Then the Federal Government on more than one occasion has shown law enforcement officers that any confrontations occurring because of homosexuals hating Christians, that the police were to remove the Christians from peaceful public assembly. The enemy has the ear of those that are making decisions that affect God's children, and dupes in government are fulfilling their puppet role to strike out at the Christians. Remember what Jesus said, "Take heed that no one deceive you." For the safety of your family, whenever anyone in Washington says anything, believe that they are lying from their heart, and put what they say aside.

In lock step with many Communist and Nazi philosophies, those in power from the executive branch, legislative branch, and judicial branch, to all those entities they have put into motion giving them power outside of the Constitutional controls set up to be under God and the people. They have been working to increase power in each change of administration and it is no accident that they are ready to take their power to a new level by wiping out Christianity, the family, and the once great nation called America.

The people clearly understand that Washington is full of those that are ambitious for self gain, and not for the people. They know there are many fools that say they are wiser than God, but what they are slow to realize is that Washington is full of traitors to America. They send their traitorous actions and puppets out into the American

mainland in many forms that are anti-God, anti-family, and anti-American.

Recently the House of Representatives voted in a hate crimes bill that could be used against Christians that are standing firm in their beliefs and trying to save the eternal lives of those in sin. They did not listen to Abraham Lincoln when they spoke out in support of this legislation, when he said, "it is better to be silent and thought a fool, than to speak and remove all doubt."

When they arrested Michael Marcavage and the others in Philadelphia, for speaking the Truth of the Gospel to some homosexuals at a Gay Pride event, they were spared because of God's presence with the fact that they video taped the event which showed that the homosexuals and their police escorts were in the wrong. The Federal Government has openly called Christians haters, which is a lie from the pit of hell, but again, lying is standard operating procedure in a government that does not look to a higher power for its authority, pray for them.

Noah Webster gave this wisdom which shows the reason for our present set of circumstances as our government goes against Christians and the Bible, "The Bible is the Chief moral cause of all that is good, and the best corrector of all that is evil, in human society; the best book for regulating the temporal concerns of men, and the only book that can serve as an infallible guide to future felicity...It is extremely important to our nation, in a political as well as religious view, that all possible authority and influence should be given to the Scriptures, for these furnish the best principles of civil liberty, and the most effectual support of republican government. The principles of genuine liberty; and of wise laws and administrations, are to be drawn from the Bible and sustained by its authority.

The man, therefore, who weakens or destroys the divine authority of that Book may be accessory to all the pu

blic disorders which society is doomed to suffer... There are two powers only, sufficient to control men and secure the rights of individuals and a peaceable administration; these are the combined force of religion and law, and the force or fear of the bayonet." It is with great sadness that we see the government looking to use the force of fear of the bayonet.

Make no mistake, even though there will be many wolves in sheep clothing attempting to sucker the sheep to the slaughter house again, for the next election and all of their agendas, do not trust them when they say anything Christian, until you see their fruit, because they will try to come as light even though they are full of darkness.

Repent and cry out to our Father in heaven to deliver us from evil, pray for your enemies to change their hearts, or that the Lord confuses and blinds them. Pray for the work of all the ministries and their leaders to stay in the will of God as we storm the gates of hell in Washington D.C. on July 10 & 11. I leave you with the love of Christ, in Philippians 4:6,7.

**The Public Schools Have Officially Expelled God!**

**America Asleep kNOW More Presents:**

**"God is going back to School" Campaign**

**August 23 & 24, 2007**

**Springfield, Missouri**

The Public Schools have officially expelled God from school! In 1962 the Supreme Court decided that it was illegal for children to recite a prayer in the public school class room. In 1963 Bibles were removed for the first time in 200 years. And in 1980 it became **un-constitutional** to post the Ten Commandments in Public Schools. Yes, God has been expelled! Please understand this is not meant to be an attack on good godly teachers that teach in public schools. But look at the facts: Since 1963 STD's among teenagers are up 220%; premarital sex among teenagers is up 1000%; divorce is up 177%; babies born out of wedlock to girls ages 10 through 19 has gone up 553%. Brothers and Sister, it is very clear, when there are no religious principals there is no morality!

One of our Founding Fathers and leading educator's, Benjamin Rush, warned that the Bible must never be taken out of the public schools. He said that if the

Bible was removed, there would be a "violence explosion." I believe the evidence proves Mr. Rush knew what he was talking about.

Proverbs 1:7 says, "the fear of the Lord is the beginning of knowledge...". You cannot even approach knowledge without fear of the Lord. Psalm 111:10 says, "the fear of the Lord is the beginning of wisdom...". You cannot even approach wisdom without the fear of the Lord.

I invite everyone, young and old to the battle. America Asleep kNOW More plans to take God back to school on August 23 and 24. There will be two full days of powerful witnessing and proclaiming the Gospel of Christ Jesus. We will be at four key schools in the Springfield Missouri area.
