May the Holy Spirit open the eyes and ears of His children to see and hear the Truth, pray and ask that Jesus show you why the schools are damaging the children in Spirit, Mind, and Body, and must be stopped.

Absolute*** In God's Word, parents are responsible to see that God is the center of their children's education.

Remember that Jesus said, "take heed that no man deceive you."

Many Christian parents out of ignorance, have sent their children into a government education system that is against God, family, and country.

Truth: The children belong to God and not to the state, and Christian parents are paying the government education system to teach the children to kneel to the state and not to God. As a result 85% of the children raised in Christian homes are leaving their faith by 21 years old.

Truth: The government education system in America is atheistic and pagan with a humanistic worldview, so Christian parents are sacrificing their children to Baal.

Truth: A Christian parent is never to allow their children to be taught in an ungodly environment. Education is a tool, either for God or for the devil.

Truth: Many people think that they are smarter than God, or they rationalize so that they can design God to be the way they want Him to be, rather than who He is, "the same yesterday, today, and tomorrow."

Truth: We are to love the soul above all other interests, and a loving parent would never put their children into a system that puts their soul at risk for eternity.

Please cry out to God for your children, and then call us if you need more information, and pray that your Pastor is strong enough to help you with Christian Home Schooling, or will start a good Christian School and both will out perform the government education system throughout all parts of education, and then gives you the most positive bonus of a godly education, a development of godly character with convictions that are good, and training in obedience as opposed to rebellion, and a much greater opportunity for heaven.

Truth: Education that either disdains Christianity or supports anti-Christian values, are violations of Biblical principles and thus our principles as a nation, and should not be supported by monies received from Christians in any way.

Truth: Responsibility for the education of the child was given by God to parents, and parents should be free to

choose the method, type, and amount of education received by the child.

Attempts to prohibit or remove Christianity or its influences from government schools or any part of society are tantamount to treason.

Truth: Religion and education are individual and state rights, and as such, should not be controlled in any way by federal regulations or federal judicial decisions.

Truth: A free nation derives its just powers from God and their laws from the consent of the governed.

Truth: God gave man the free will to choose whether or not to serve God. Your choice could affect a child's soul going on a track that takes then to Hell. Jesus can see your heart right now. Do you have enough information? If not, email Gregory@asleepknowmore.com or pastormarkkiser@yahoo.com

May the Holy Spirit help you,

**THE PPFAs—NEA's—AAUP's—
 ACLU's (plus) JOINT
 VENTURE: [Part3]**

(Planned Parenthood Federation of American; National Education Association Teacher's Union; American Association of University Professors; American Civil Liberties Union; plus other Leftist Organizations)

BECAUSE little concrete valuable basic education—READING, WRITING, and MATH and TRUE SCIENCE—and yes! Thank you! plenty of FALSELY REVISED HISTORY (lying about how America was founded and about the Christian Founding Fathers of our Christian Nation, and how it became the great country it was and still is) **AND GEOGRAPHY AND CIVICS, has been taught, research shows all National scores reflect the DUMBING DOWN (and) PROMISCUITY of our Nation's children—this CANNOT BE ARGUED.** Simply look at the decadent condition of our Nation and so many wasted lives, directly caused by the NEA and “friends.” **This to me is utterly despicable and sadly deplorable! Is it any wonder that Planned Parenthood Federation**

of America is screaming for more federal funds to meet the higher demand to murder more of our future boys and girls—in the coming year?

Referring to the CNSNews.com release titled: **Planned Parenthood Reports Record Abortions, High Profits**, by Randy Hall, June 15, 2007: “Planned Parenthood Federation of America (PPFA), despite a drop in donations and the first fall in income from clinics in its history, the nation’s biggest abortion provider made a **high profit** last year, **thanks to the American taxpayer. Pro-lifers want this to stop.**” As stated, PPFA performed a record **264,943 abortions (murders)**, attaining a high profit of \$55.8 million, and **received record taxpayer funding (you and me) of \$305.3 million.**

Let’s fast forward through the article to: “Jim Sedlak, Executive Director of Stop Planned Parenthood (STOPP) International, told Cybercast News Service on Thursday that the flow of **taxpayer dollars** to the abortion provider **“has to be stopped. Since our elected officials won’t do their job, it’s up to us. Clearly it was a good overall year for Planned Parenthood,” he said. “Total income went up 2.4 percent, passing \$900 million for the first time.” “...The final category of PPFA revenue sources is you and me—The American Taxpayer.” He noted that the amount of taxpayer funding reported by PPFA exceeded that of the previous year by \$32.6 million, or 12 percent!!! “The bottom line is the PPFA is losing donations, its clinic income is down, and you and I are being FORCED to pay more so the organization can kill our children through abortion (and) spread its perverted ideology throughout the land.”** Sedlak said. (PPFA is now requesting an “increase” in funding from the government—us—this year.)

Further in this article: Douglas Scott, Jr., President of Life Decisions International (LDI), stated: “This ‘not-for-

profit’ entity ends every fiscal year with tens of millions of dollars in ‘excess revenue over expenses,’ which is known to regular people as ‘profit.’On June 30, 2006, PPFA had net assets valued at \$839.8 million, of which This is essentially a savings account,” he said. “The money is sitting in a bank and drawing interest that will further advance Planned Parenthood’s deadly agenda.”

Can we see the **Joint Venture** that has evolved between the NEA’s Socialist Public Schools’ Progressive/Gradual curriculum and the Humanist Religion (no right, no wrong, no God), and the Planned Parenthood business with the help of the ACLU and their “sister” organizations, as co-dependently existing and totally related? If not in direct concert contractually with each other, certainly needing and benefiting from each other, and without each one, the outcomes and survival of the others, would be in jeopardy. If you don’t believe by now that they function together, read PPFA’s own future projection of teens who will need abortions this coming year!!! as follows, and be sickened by their knowledgeable projections. These “children” will also become **our children** drop-outs and on public assistance, no doubt, with future pregnancies, poor darlings, and wasted, ruined lives, unless, by some Godly miracle, we can save them. **WE CAN—AND WE MUST!**

Let’s proceed in quoting from the above-mentioned article: “In a recent statement, PPFA President Cecile Richards argued that more funding was needed for its work, stating: ‘Currently more than

17 million women in the U.S. need “publicly-funded family planning (abortions) and there is not enough funding to meet the need,” she said. ‘NEARLY 750,000 TEENAGERS IN THE U.S. WILL BECOME PREGNANT THIS YEAR!!!’ “

(This literally screams at us “to Get the Sex Education Out of the Schools Now!” When we did not have it, a few unfortunate girls ended up pregnant in HIGH School—compare this to the figures now!

Can you even fathom or imagine that the President of PPFA, Cecile Richards, the organization that murders our future boys and girls, has the audacity to tell us that SHE has the answers: What the “*medically accurate health information* and **EDUCATION**” should be for our Children? It would be **much more of the same!** Or that **her information** would actually “reduce teen pregnancy and build strong families?” Smells like phony baloney to me! **That would be suicide for their organization!** But guess what? We’ve let them peddle their phony answers to our children long enough! PPFA, along with their co-conspirators, in my estimation, the NEA, and ACLU plus, are the very organizations responsible for intentionally increasing the promiscuity of our *children* that result in teen pregnancy, and therefore, increases PPFA’s great financial wealth. The Socialist NEA’s Humanist Religion agenda taught in the public schools creates the problems in the schools, and families, intentionally, to further Socialism in our Nation, **and they, together with PPFA and ACLU plus, pretend to correct the huge problem they created**, with innocent sounding deceiving rhetoric proclaiming they have the answers, as above, with “education,” but ultimately by abortion. **The TRUTH is “twisted” by them** to sound noble and believable, and the unsuspecting, gullible Parents/Citizens are thereby deceived. We have been sold a horrible bag of so-called politically correct

tricks that are ruining our children’s lives and our Nation as a whole, not to speak of the trashing of the families broken by the way our children have been mutilated by their public school “education.” All to set the stage for a massive population that eventually will be dumbed-down, demoralized and dysfunctional, and will need the government/State to take care of them. **But folks, that’s socialism. That’s almost us right now.** These organizations are funded by US! **We have a responsibility to STOP funding them now and we must be LOUDLY HEARD, SHOW OUR DISGUST AT BEING TAKEN ADVANTAGE OF, by our NEA schools and their ELECTED OFFICIALS.**

Back to the article: Family Research Council’s Mr. Perkins agreed: “With assets totaling more than \$839 million, Planned Parenthood hardly needs a government handout. (as they have requested!)

In conclusion, do you know what? **We need to demand the right to educate our children the way we want to educate them—and NOT as we are TOLD to educate them by the NEA. We need to stop funding PPFA and the subversive organization known as NEA Public School Education, too, with OUR tax dollars. We need to start praying fervently for this outcome. WE CAN DO THIS IF WE LOUDLY PROCLAIM AND DEMAND EDUCATION VOUCHERS IN ORDER TO SCHOOL OUR CHILDREN IN A PRODUCTIVE, SUCCESSFUL, AND EMOTIONALLY AND PHYSICALLY HEALTHY MANNER—or WE CAN WITHHOLD TAXES IF IT COMES TO THAT.** We need to take back control of the classroom from the National Education Association. **The NEA is a Teachers’ Union—that gradually became DICTATORS of the curriculum taught our children. Its sole purpose is supposed to be to “protect the Teachers’ benefits” ONLY.**

**NEA is one of the most generous contributors of the Teachers Union Dues monies to Political Campaigns to gain favors to further their Socialist goals AND obtain more and more money from the elected officials they support. Approximately 97% of the many millions of dollars go to Liberal Left Democrats while 3% are donated to Conservative Republican campaigns. WHAT DOES THIS TELL US? THEY ARE DEFINITELY A “POLITICAL LIBERAL LEFT SOCIALIST FORCE” AND MUST BE DEALT WITH BECAUSE THEY HIDE BEHIND A SCHOOL/CLASSROOM BAN-
NER.** A great number of dedicated good public school teachers are very opposed to this funding of political campaigns and the Socialist Humanist curriculum. Perhaps they will soon realize they do have an “out.” They can visit the www.factonline.org There are also other Teachers’ Unions that are out there.

Close consideration reveals that unless we become as passionately devoted to our goals, to return our Nation back to

the intent of the founding fathers, more devoted than these organizations are in furthering their goal of Atheistic Socialism for our Nation, we CAN NOT win the war. If you can support financially any pro-life legal organization

fighting to end abortion, OR fighting to obtain our right to School Vouchers, please do so. We must originate and/or sign every petition, AND make phone, email and fax contacts with our elected officials and **demand school vouchers.**

It’s our money we’ll be saving as private schools educate far better and far more cheaply than the abusive Public School System.

And all of our children will once again be given an EQUAL chance to excel.

Are we to continue to stand by as we suffer violence to our own children, and allow them to suffer so? We must not fear. We must not close it out. We must, when situations seem hopeless, realize that is when God loves to show His power, while using His people—this is something we can count on. While suffering the persecution we know will follow our works, if we truly believe, we'll stand firmly on the Word of God and let Him lead, protecting us as we move boldly forward. We are here for such a time as this—we must have courage to risk *everything* for God, His children, and our Nation. We ARE in a real cultural civil war against factions that are out to destroy our freedom loving Godly Nation as we know it. The ungodly organizations have started it—with God's leading,

we will finish it. How shall we escape if we neglect His leading at this time? We must make the choice to fight back. **This is the noble “choice for life” for our pre-born and existing children—it is the right thing to do.** They are not only aborting our pre-born boys and girls at PPFA, NEA is providing PPFA's product, AND causing the abortion of 50% of our existing children's future lives and their inalienable right to happiness, via the NEA's (no longer ours) Public Schools. They are also, with their Atheist Humanist core curriculum gradually removing God from Our children's minds and hearts.

How I wish we could un-ring the school bells for the past 40 years—and bring back the wasted lives of nearly half of our public school children and see what the aborted children would have become. Dear ones, this is a real cultural civil war—evil vs. good—with the winner controlling all of our lives. Choose thee this day who you will serve. The State or God? Together, we must choose God—march forward in this war! Too many battles have

been lost—but we don't have to lose the war, unless we choose to do nothing.

I must close, but this article hasn't even touched on the “Clinics” that are scheduled to be erected and staffed by Medical and Psychological “experts” right on the public school grounds—Three Rivers MI, a small community, have all but broken the ground for one. I hate to leave you with the parting knowledge that children raised in Christian homes are now considered “mentally ill” when registering for kindergarten. The book: FedEd by Allen Quist is an insightful “must-read” for any concerned true Parent that wants the best for their children. Thank you for your time!
