All Efforts Because of the King of Kings; Stay the Course.

I am reminded at this time of year to increase my love for God the Father, who sent His only Son so that I might have eternal life. My aunt Mary reminded me in a letter of a special gift that is given by our Savior. The Lord God says "PEACE, MY PEACE I LEAVE WITH YOU, MY PEACE I GIVE TO YOU." The message of the Lord God through Christ Jesus begins with His message of peace and He ends His Life with the same message. She finishes with a beautiful prayer for me, that I give and share with you. "Lord Jesus Christ, Inner Light let not our darkness conquer us; Lord Jesus Christ, Inner Light enable us to welcome your LOVE." My wish and blessing for all of you is that this LIGHT and this PEACE fill your dear hearts and bring you Happiness forever and ever.

JESUS, JESUS, JESUS, there is just something about that name*** in John 12:32, Jesus said, "And I, if I be lifted up from the earth, will draw all men unto me." So what has happened to our country, and what can we do? A friend Karl Priest, gave me a quote that addresses who's responsible for the state of the nation. The famed Nineteenth Century revivalist Charles G. Finney had some relevant words on this subject. He said, "If there is a decay of

conscience, the pulpit is responsible for it. If the public press lacks moral discernment, the pulpit is responsible for it. If the church is degenerate and worldly, the pulpit is responsible for it. If the world loses its interest in Christianity, the pulpit is responsible for it. If Satan rules in our halls of legislation, the pulpit is responsible for it. If our politics become so corrupt that the very foundations of our government are ready to fall away, the pulpit is responsible for it." This does not let any Christian off the hook, we can't be like Eve, blaming the snake, or like Adam, transferring blame to that woman you gave me. It is time that we each looked to ourselves and what Jesus requires of us, have we repented, have we loved God with all of our hearts, minds, souls, and strength, have we loved our neighbor as ourself? Do each of us respond like Psalms 40:8, "I desire to do your will, O my God..." and 2 Cor. 5:8 "our only goal is to please God..." God uses people that decide to pay the cost. Luke 27 "And whosoever doth not bear his cross, and come after me, cannot be my disciple." May we seek to be disciples indeed, and be careful not to grow slack in our profession, or afraid of the cross; that we may be the good salt of the earth, to season those around us with the savour of Christ.

Luke 6:46 "And why call ye me Lord, Lord, and do not the things which I say?" America must heed the counsel

of God's Holy Word, because we are not immune to the judgment of God. Our issue as stated in the above Scripture is the Lordship of Jesus Christ. Is He the master of our lives or not. God loved us so much to reveal Himself in Jesus Christ His Son. To the SHAME of those that call themselves Christian, from the pastors, elders, and those in the congregation, we have by our silence failed to accept responsibility while innocents are slaughtered, while our children are taught that they came from green algae pond scum, to accept promiscuity and homosexuality as normal, that there is no God. We have not hastened to the aid of those losing their souls, as the church is unwilling to suffer for what she knows to be right. All across the country the pastors and congregations stick their head in the sand while pretending all is well in the country, as the father of lies leads us down the path of destruction. We are leaving the soul of America to the politicians, the education system, the media, and the pulpits that have been silent. We indeed must quit blending in with non-Christians and Luke Warm Christians, who have tolerated everything because of a fear to be scorned and ridiculed by the world. America will not turn from the path of destruction until we participate as the sons and daughters of Jesus Christ

There is indeed no King but King Jesus, He is the Lord of Lords, and to base our decisions outside of His Word is to take the name of the Lord in vain. We not only dishonor Him, we actually blaspheme Him, as if we could ever do anything greater than God through His Word. Ephesians 5:11, "And have no fellowship with the unfruitful works of darkness, but rather expose them."

Have we been about the business just like the denominations all across the country, staying divided, each with our own doctrine, each with a battle that we feel is the most important of all battles, and if just everyone would follow me, we could change the country and the world, what and insult to God. In our own way, do we add to the work of those that think that they are smarter than God, by staying divided, by not letting them see the power of the Father working through His Son? When I say these things, those that know me, know how much I love them, and how much I believe that the love of God must lead all that we do, but we must truly get past the point of Peter, when he had a conviction in his faith, he was able to get out of the boat and walk on the water, but then began to sink because of doubt and fear, and Jesus said to him, "o ye of little faith." Our God is a mountain moving god, and we must be about His business.

You are to put on the whole armor of God, because the Christian life is a warfare, a continuous spiritual conflict. As Paul talks about the armor, he emphasizes the importance of the shield by saying, "Above all. Taking the shield of faith... for with the shield of faith, nothing can hurt you; you are more than conquerors through Him. A few weeks before that meeting we invited, Dr. Alan Keyes, who is the only one that honors and glorifies God in all of his talks. He told my friend Joe, that in the past it had been about Alan, but it must be about Jesus. He came to a prayer service on the 13th, and then spoke on the 14th and 15th, always making it about Jesus, and not about him-

self. This is the kind of man that we need to be president, Support Alan. Alan Keyes is the only one running for president that does not compromise as he honors and glorifies the God, where every other candidate falls short on one or both of these elements. We need to get down on our knees and cry out to our Lord and Savior, repent of our sins personally and as a nation. We are under judgment, and because of God's love for us, we may indeed have to endure more loss of freedoms under the Communist leaning Democrats, or an anti-Christian or Pagan from the Republican party. Why would this happen? Because we are asleep, because we are double minded, because we serve two masters. A wake up call is what America needs for us to have a chance at being a great country again, and for more souls to come to our Lord and Savior. Remember that the gates of hell will prevail against the Republican and Democratic parties, yet we continue to put our trust in the words of men, even as God says, "cursed is the man that trusts in man". Look at each person running for president, to see how they honor themselves, and make God, the people, and the Constitution secondary. Alan Keyes is the only one running for president that makes it about God first in all things, and with that, he is the only one that we as a people should pick for president. As my good friend Rusty puts it, we can vote by pragmatism and try to win at all costs, or we can vote by principle and do what is right. Former President John Adams once said, "faithfulness is ours, results are God's." Stay the course!!!

Because of your desire to participate as the sons and daughters of Jesus Christ, you have prayed and given temporal support to our Shake The Nation Conferences again this year. Each one has produced fruit, as we have dynamited Christians out of the pews and into His service, it has been especially blessing to have Christian males, become MEN for Jesus and His purpose. We have twice been in Lexington, a suburb of Boston, Mass., where the shot was heard round the world, we have been in Columbus, Ohio, Ozark, Missouri, Olathe Kansas, Wichita, Kansas, Wilowick, Ohio, Springfield, Missouri, Eureka Springs, Arkansas twice, Tennessee, Warrenton, Missouri, Lebanon, Missouri, Warsaw, Ohio, and Coshocton, Ohio

In the last two towns on December, 14 & 15, we brought the greatest group of Christian men together in the History of Ohio, a Gathering of Eagles, those that have gotten past the rhetoric, and are actually in the battles for His children's souls, all across America.
