Christian Hedonism

Obama recently called abortion a “difficult issue.” That is a nice way of saying you must ignore all of your moral instincts. Killing an unborn baby is not a “difficult issue” if your conscience still works. Everyone knows the “fetus” is a human being, unless, of course, you are looking for an excuse to do wrong. Going against your conscience is difficult business. He called the miraculous creation of a baby “punishment.” I know you think I am making this up. Watch for yourself. And this man is being considered as president of the United States??

This is where moral relativism has brought us. When you turn from God-created standards of right and wrong you are sure to end up in a moral swamp laden with “difficult issues.” When right and wrong become an opinion, rather than truth, the swamp gets muddied. The truth is not difficult to believe, but it is difficult to obey. Obama is no exception. Most of our leaders swim in the backwash of truth that did not make it down the toilet when God’s standards were flushed out of America. Septic waters are difficult to swallow.

What has happened to us, America? How have right and wrong become so cloudy? Could it have anything to do with the moral-relativistic religion of Secular Humanism that we have allowed three generations of Americans

to be brainwashed with in our government schools? Could it have anything to do with the unwillingness of the pulpits to draw a line in the sand, based on God’s moral law? Are the pulpits complicit by encouraging public school attendance? Look at this! How can anyone call a precious baby “punishment”? How could anyone who would not defend precious unborn babies even be considered for ANY leadership role at ANY level? Hillary says she is a Christian. Barack’s church has received national exposure recently for raciest and un biblical views. They both claim to follow a holy Jesus! If no one else will say it, I will. Hillary Clinton and Barack Obama are not Christians. They are pagans.

I feel it coming already....the “who are you to judge” email’s....usually from other brain-washed, brain-dead Christians. Let me put it another way. Hillary’s and Barack’s lives do not bear the fruit of Christianity. Not real Christianity. They bear the fruit of paganism. Oh, they want to protect the environment, feed the poor, and provide healthcare, which ARE Christian values. But they want government to be God.

They want government to play the role of provider and protector. They want government to have some Christian characteristics. But they do not want righteous government. They want a government where the standards of

right and wrong can be voted on. They are doing all they can to push God out of government so that those in power can play god. Because of “elected officials” like them, having a baby is now considered “punishment.”

Hillary and Barack may go to church and they may claim Christianity but they don’t obey God nor do they expect others to obey Him. Think I am wrong? What about this: “If you love me, keep my commandments.” And this: “Thou shalt love thy neighbour as thyself. There is none other commandment greater than these.”

I used to tell our football players that you can judge a person’s character by the way he treats the “least of thy brethren.” Jesus said, “And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me.” Who is more defenseless than an unborn baby? I don’t know what Jesus thinks about government healthcare, or fighting so-called man-made global warming, or government relief (rather than His Church) for the poor. But of this one thing I am sure, God hates the killing of unborn children. God gave us a choice all right, and He told us what to choose. “I call heaven and earth to record this day against you, that I have set before you life and death, blessing and cursing:

therefore choose life, that both thou and thy seed may live.” Deuteronomy 30:15-19 How did we reach the point where protecting the environment is more important than protecting babies? How can a man be found guilty of murdering a baby in the womb but the mother can do the same deed with impunity? Murky moral waters, my friend.

Can one call himself a Christian if he can't pass the life test? "...that you and YOUR SEED might live." Shouldn't a Christian agree with God on the issue of life? Can a true Christian be pro-death to the innocent?

Barack is for death. Hillary is for death. They are of their father, the Devil. Read it for yourself. They worship death and everything that leads to death. They promote death, defend death, and spread death.

Before you go there, I am also sick of the "war" party, so don't throw that in my face. If the "war" party was as serious about saving babies as they are about spreading an always doomed democracy, maybe God would be able to smile upon us once again. Remember this, God hates hands that shed innocent blood. Read this list. God is angry with the wicked every day. If we want terrorism to stop in the world we must stop the terrorism in the womb.

Secular Humanism is a religion where man is god. It is based on "reason, logic, and justice." It is paganism and paganism is now the religion of America. Pagans are hedonistic. We have become a selfish, self-indulgent lot, we Americans. We abort babies because that innocent baby might "mess up our lives." We are "lovers of pleasure more than lovers of God." A baby is created in the image of God, but we love ourselves more than we love God, that's why babies are now called "punishment." God called them a blessing.

Our leaders call themselves Christian but they are hedonists. Hedonists believe in the glorification of nature and pleasure. Our courts are pagan, our

schools are pagan, our entertainment is pagan, and our government is pagan. Our leaders spout the name of Jesus but they "have a form of godliness." Let's face it. We are voting for pagans, not Christians...both Donkeys and Elephants. Is John McCain a servant of Christ? In all of your life, have you ever done anything more important than being a parent? Before you were a parent did you ever think it was possible to love another human being so deeply? Greater love has no man than this than he would lay down his life for his friend. Five thousand American babies will be sacrificed today as we argue over health-care, the environment, and the economy. Will no one fight for the babies?

Pro-abortion politicians do not have the love of Christ, no matter how much they talk about "their religion." They love themselves, their careers, and their agendas more than they love others. They won't stand up for the helpless. Again, thou shalt say to the children of Israel, Whosoever he be of the children of Israel, or of the strangers that sojourn in Israel, that giveth any of his seed unto Molech; he shall surely be put to death: the people of the land shall stone him with stones. And I will set my face against that man, and will cut him off from among his people; because he hath given of his seed unto Molech, to defile my sanctuary, and to profane my holy name. And if the people of the land do any ways hide their eyes from the man, when he giveth of his seed unto Molech, and kill him not: Then I will set my face against that man, and against his family, and will cut him off, and all that go a whoring after him, to commit whoredom with Molech, from among their people. Lev. 20:2-5

Abortion is hedonistic, pagan, and demonic. Abortion is child-sacrifice. God specifically condemns it. Humanism teaches us that sometimes in order to be happy we must sacrifice our offspring to Molech, the god of self. Our leaders support it, are complicit in it, and encourage it. They teach it to our

children. They teach them the doctrines of demons -- the "I wills" right out of the Devil's mouth. Which view do Hillary and Obama hold? Obviously, hedonistic humanism! Hillary and Obama serve Molech, not Jesus. How can we even dare ask God to bless America when we sacrifice our children on the altar of pleasure? Terrorism in the womb leads to terrorism in the world. Coach Dave Daubenmire, PhD

Eureka Springs, April 4 & 5

Led by Jericho Riders, Jim Carroll and Kevin Thompson, we were able to have a presence in Eureka Springs, AK, during their diversity weekend. God haters were allowed to continue their wicked iniquity by promoting sin in the streets of a once Christian community. Pray for the local people that call themselves Christian, as they hide within the walls of their churches and allow workers of iniquity to openly mock God, and display their hate for His Son, Jesus. *America ASLEEP* kNOW MORE thanks the Jericho Riders for their service to Jesus in setting things up. Flip Benham with Operation Save America, Pastor Bill Dunfee with Minutemen United out of Ohio and Missouri, Coach Dave Daubenmire with Pass The Salt ministries and many others, travelled to Eureka to make a righteous stand and answer the call. On Friday evening, everyone prayed for those caught up in all types of sin. We were able to witness to many, and bring a couple of young men closer to Jesus. On Saturday, with the light of Jesus present, those that witnessed, giving light to the lost, saw ninety percent of them leave within a few minutes. There was joy in some accepting, some seeds planted, and the possibility that there could be some that will be saved because of the efforts of these Christians. Please continue to pray for those that are blind, that their eyes and ears will be open to God's Word.
