The Shepherds Are Sleeping

The Shepherds are sleeping as they allow the wolves to come in to scatter and devour the sheep. Priests, pastors, ministry leaders, and church leaders, please do not call yourself Christian. Please do not take the name of Christ. In fact, please change your name, or change your conduct, if you are not personally leading Christians against the enemy and trying to protect your neighbor with more than talk.

It seems obvious that you don't love the sheep in your care; you don't love your neighbor; and you don't love God; or you would do what He says. You give everyone the impression that you care. Well hey, since you give the impression with words from your mouth then maybe we the flock can just give you our money and invite our friends to give you even more money. Then, maybe we can just build a bigger building that can hold more of our friends to give you even more money. Now, the real question is, how many babies did you keep from being murdered with your mouth? How many times did you personally try to stop the murder of a baby? How many souls did you let go to hell in the government education system? How many little boys and girls were molested in mind and body because you were silent while they went into the belly of the beast called government education?

I had several people write me and tell me that I should not be saying that pastors were going to put themselves at risk of going to hell for eternity; if they did not tell their congregation the truth about government schools and the critical need to get the children out. The letters were from some good friends of mine, and were meant for good. They felt that I was judging the heart and that only God could do that; and right they are. Only God is able to judge the heart. But what I am required to judge by Scripture, is the fruit or lack of it in my brothers and sisters in Christ. I am required to warn my brothers and sisters of anything that would put their soul at risk for eternity. My warning is to get the children out of the atheistic and pagan government education system. This warning is first to the sheep, and then to the shepherds. I want to tell you to run from the government schools that have a cancer within, that feeds on the souls of the children. This is one of the greatest systems of child abuse known to man.

I should also tell the sheep to run from a Shepherd that is not leading, and who is not warning about the issues affecting our families and nation. If your Shepherd is not warning, and not helping parents in every way possible; then get away no matter how much pretty talk you hear. Pray for their souls, because they have indeed - put themselves at risk.

Shepherds, are you a hireling, or do you serve Christ? Do you cut and paste from your Bible so that you are comfortable on your pillow at night? Have you denied yourself and picked up your cross as you have ask your flock to do? Are you in action like Christ, or do you just talk a good story? You say that you love your neighbor, but then you allow The murder of 3000 to 4000 babies a day to continue, as you sit in the comfort and security of your church. You spend time telling others that something must be done, while you do nothing about the weightier matters of the day. Are you hiding behind things like feeding the poor, clothing the naked, visiting the sick, etc? But, while these things should not be ignored; you are also called to be a watchman on the wall and warn the people of danger to their souls, lest their blood be upon you. If you do not step up and lead as Christ would lead in the weightier issues of the day, then you are preparing your place with the goats; where is your anguish as people are going to hell for eternity for abortions. Did you pronounce judgment that fornication is a sin: that can send a church member to hell? Did you pronounce judgment that sodomy is a sin that can send a friend or neighbor to hell? Even worse, you are bringing others with you. Did you pronounce judgment that voting for anyone that supports murder or any sin places

them and you at risk of hell? What kind of shepherd are you if you don't love your sheep to the point of wanting them in heaven for eternity?

Taking from Patrick Henry

In vain can we extenuate the matter. Pastors, priests, and other supposedly Christian leaders, can cry peace, peace, but there is no peace. The war has actually begun! The next affronts that come from Washington D.C. will bring to Christians and this nation bloodshed, corruption, moral decay, and more people at risk of Hell. Your brothers and sisters are already in the field, what is it that Christian leaders wish? What would you have? Is your life so dear and your peace so sweet that you are willing to purchase it with chains, slavery, and death for your Neighbors. As Patrick Henry stated; "Forbid it Almighty God! I know not what course others may take, but as for me, give me liberty or give me Death!" Shepherds repent! Change your ways so that you do not spend eternity out of the presence of God. Don't betray Jesus like Judas did, or Jesus might tell you that it would have been better if you had not been born. Remember Judas - did feed the poor. Have you done anything to stop the 'socialist' health plan being put forth by Obama? Have you done anything to place the leaders under the same plan they propose to place the citizens? Have you done anything to stop the communist anti Christ take-over of America?

Would you allow unrepentant abortionists to be members of your church? Would you allow unrepentant pornog-

raphy providers to be members of your church?

Would you allow those openly engaging in fornication to be members of your church? Would you allow those openly engaged in homosexuality to be members of your church? Would you allow any unrepentant sinner to be a member of your church and receive communion while in sin? Pastor, priest, what weightier matter are YOU taking on today?

Calling Church Leaders

Are you aware that Jesus stood up to evil and that Jesus required repentance from sin. He said "Go and sin no more". Well, hey, maybe you are nicer than Jesus, maybe you love people more than Jesus, maybe you are even smarter than Jesus, and maybe you can tell people how good they are. Maybe you can even tell them how they can have the best life now. By making wrong choices they are paving their road to hell. Well, maybe Jesus will learn to be nice like you, and will just let you go on into heaven. Maybe not. What do you think? Fill in the blanks, "you are either with me or _____, you either gather with me, or you _____." "Why call me Lord, Lord, and then _____ what I say?" "The heart is _____ above all things?" "To know what to do and not do it is a _____."

Answers:
Against me, scatter, do not, wicked, sin
The times are urgent, pray then pray, then DO SOMETHING!!!! Jesus did.
God Bless***Gregory

**A special note from
Pastor Joe Larson.**

Pastor Joe is pastor of Doers of the Word Baptist Church of Missouri. He is a friend and pastor to Doctor Greg. He is a frequent speaker with Greg's "Shake The Nation" conference's, and is a national radio pastor with What's Right What's Left Radio Ministry. www.wrwl.org

To my brothers and sisters in Christ: Dr. Greg has been busy traveling, attending seminars and tea-parties, and working on setting up Shake-the-Nation conferences around the country well into next year. This requires not only a great deal of effort and hard work, but it requires money. Greg has to spend extra money, sometimes months ahead of when donations are received at the Shake-the-Nation Rallies. Sadly, sometimes donations don't always cover all expenses. This summer donations to "All" ministries are down. Dr. Greg is dependent on the generosity of Christians, like you, who believe in protecting the "Children". Many of the speakers, like myself, take only money for some expenses. We aren't there for the money! It's what I can do to help the children. If you [dear reader] have been supporting him; thank you and bless you. If you haven't, this is a really good time to start. If not you, who? Who will stand for the children? If not now, when will it be a good time to protect the children? Matthew 25:40 "And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done /it/ unto one of the least of these my brethren, ye have done /it/ unto me." Jesus also said "Blessed are the children."

Amen, Pastor Joe.
